Budget

* indicates a required field

Budget

In this section tell us the total of the project, event, capital or your operating costs, and how much you are applying to BayTrust for. BayTrust's policy is to fund up to a maximum of 50% of total costs.

We publish our previous approved grants online and this can be used as a guideline on how much to apply for. This can be found at:

<https://www.baytrust.org.nz/grants-decisions>

The budget you provide must include **all income** and **expenditure**, and if you are applying for operational costs the budget must show at six months future income and expenses.

If you receive or anticipate receiving grant funding from other funders, please ensure this is itemised in your supplied budget. Trustees like to see which other funders are supporting your programme or project and for how much.

If you have any questions about the budget and what we require, please email info@baytrust.org.nz or call the office on 07 578 6546
